**Memorial Service for Jeanne Nash – Sun. June 12, 2011 – Northside Aztlan Community Center – 112 Willow – Fort Collins. 5:00 pm**

Jeanne was one of the founders of Fort Collins Friends Meeting and was always very, very active with using crafts to promote peace. Her last major accomplishment was the founding of the Global Village Museum, now located at 200 West Mountain Street.

Her memorial service will be held June 12, 2011 at the Northside Aztlan Community Center, 112 Willow Street in Fort Collins. Willow is located off North College just past the downtown area.

The time was set to allow Friends who are going to Ghost Ranch to return in time for the service. Friends are asked to bring food for a “light, cold potluck” and fresh flowers from the garden. Friends are asked to bring these items at 4:00 in order to set up the meeting rooms. Young Friends especially are asked to attend and help as needed. The family has requested donations in her name be made to the Museum and to the American Friends Service Committee. For more information, contact Michelle Bellows ([michelle.bellows@gmail.com](mailto:michelle.bellows@gmail.com) or 493-1184).

**Memorial Service for Joan Dardine – Sat. June 18, 2011 – Fort Collins Meeting House 2222 West Vine – Fort Collins. 1:00 pm**

Joan was a member of our Meeting for many years...among other activities, she served on the original House and Grounds Committee when the Meeting House was purchased. Her ability to participate actively in meeting was limited by her declining health over the past several years. She and Jeanne

were very fast Friends, often coming to functions together, and supporting one another. It is appropriate, perhaps, that their services are being held so close in time to one another.

Her memorial service will be held at the Meeting House. As with Jeanne’s service, Friends are asked to bring light refreshment for potluck and flowers from their gardens.

Please bring your contributions to the Meeting House by 12:00 so that the room can be set up. If it is a good day, we may possibly

meet outside. We hope to have a good turnout from our community given that Joan’s circle of friends over the years had become concentrated at meeting and at the senior residence where she lived.
